Re: United States v. Dwayne Conley
Dkt. No. 19-Cr-131 (PAE)

Dear Judge Engelmayer:

On behalf of Mr. Conley, I request that the trial be adjourned to January, 2021. The Government does not oppose an adjournment to the first quarter of 2021. We have conferred with counsel for Mr. Rivera, and have been informed that they are not in a position to consent to our request given Mr. Rivera's desire to exercise his right to a speedy trial.

Sincerely,

Lloyd Epstein
